

## Things To Know

**Parents, we need to keep the line moving. Please help your children decide what they want before it is their turn. Which model? What color(s)? (I have lots of colors, light and dark, even gold and silver).**

I need to feed my baby close to 12:00. I will be giving up to 40 people in line a “fast pass” ticket for when I resume around 12:30. Not valid after 1:15.

Only one balloon per person; They must be present. Invisible children get invisible balloons.

Event ends at 2:00 and we will be closing the line accordingly.

Some of these models take a few minutes, with an average of 2-3 minutes. Please be patient- this is art and it takes a little time.

If you don't have time for a balloon now, take a business card and invite me to your party! That's where the real fun happens!

**PLEASE DON'T TOUCH THE BALLOONS!**
